Cabinet—Smothered—Big  
Blazes.

Confidence in Blumstein.

BERLIN, Dec. 22.—A committee has been organized to raise a fund for Prince Blumstein as an expression of the confidence of the nation in the great statesman.

At this time the Senate.

ORANGE, Dec. 22.—A meteorologist of this city has gathered from several flocks in Clermont county specimens of rocks and earth, all of which yield \$1,000 of gold to the ton. A company has been formed to buy the same.

McDonald in the Cabinet.

NEW YORK, Dec. 22.—It is reported here on the authority of Indiana politicians that Mr. McDonald has been offered a place in the cabinet and it is generally believed true, although the position to which he is called is not stated.

The Senate.

ALBANY, N. Y., Dec. 22.—Eugene Earl and the infant daughter were suffocated by coal gas from the stove last night. The boy, who was sleeping with his father and the mother with whom the babe was sleeping are alive but in a critical condition.

Don't Monkey With the Emperor.

LEIPSIG, Dec. 22.—Sentence was pronounced to-day in the case of the anarchists tried last week for an attempt to assassinate Emperor William at Neiderwald. Reinhardt, Bayach and Kuehler were sentenced to death and Holstner and Bachman were condemned to ten years penal servitude. Koehner, Reinbach and Tollen were acquitted.

Washington Warnings.

WASHINGTON, Dec. 22.—Sergeant Otto Holmuth, of the signal service, who was recently sent west by the secretary in search of Howgate, has returned and been relieved from duty. It is alleged Holmuth obtained the information which induced the secretary of war to send him as a detective, by rifling Lieut. Greely's private papers. He is to be court-martialed.

Keats After His Career into the Ring.

ALBANY, N. Y., Dec. 22.—The Evening Journal publishes a letter from Wm. M. Evans to Senator James Arkell, in which he says: "In response to many inquiries and requests made from all parts of the state, I take the liberty in this form of making public my readiness and desire to be considered among the candidates for the election by the legislature as senator for this state."

Missing the Bell Company Agents.

TRUSSARD, N. J., Dec. 22.—The United States Telephone manufacturing company, of New York, and the McDonough Telephone and Telegraph company, of New Jersey, filed a bill in the United States court to-day, asking an injunction against the American Bell Telephone company, of Boston, and the Domestic Telephone and Telegraph company, of New York, for infringement of patent for accounting.

The London Bridge Explosion.

LONDON, Dec. 22.—The investigation at the scene of the explosion at London bridge continues. A diver has found some more fragments broken from the blocks composing the pier by the force of the explosion. Several long planks of timber which had been firmly bolted to the masonry of the bridge were broken away. An examination plainly shows the explosion to have been terrific in force. The hot of the river was much disturbed for some space about the pier.

HURONS POINT, L. I., Dec. 22.—The fires at Pratt's oil works, Williamsburg, are still burning, but it is believed no danger could, through a change of wind might cause further extension. No more tanks exploded. A great quantity of oil in barrels and casks on the dock and in warehouses is still blazing. A large portion of the machinery of the condensers which had been firmly bolted to the masonry of the bridge were broken away. An examination plainly shows the explosion to have been terrific in force. The hot of the river was much disturbed for some space about the pier.

The Richmond Palladium of Saturday says: "Mrs. J. M. Hanford and Master Mortie will return from Fort Wayne to-day, where they spent a very pleasant week with Professor Schmitt and wife."

Harry Taylor and Hugh Walsh were arrested Saturday night in the society of Jennie Vanhook and Minnie Harrod, two white hags. The quartet will pose the holidays in jail. Walsh is a sort of detective and may get out.

Milton Sawyer, George Englet, Henry Miller and Jake Devers, common drunkards, were before acting Mayor Ryan to-day and all were sent to jail for the regular term, except Sawyer, the negro, who got a thirty eight day sentence.

Mrs. M. O. Rochell, of East Lewis street, received a telegram from Lebanon, Pa., yesterday, announcing the death of her mother, Mrs. W. F. Faltmire. Mrs. Rochell left for that place yesterday, accompanied by her son Theodore.

The city council meets to-morrow night and Wright Rockhill, the city clerk, is in a nice fix. Mr. Rockhill has a ticket to the Keene entertainment, but he has never moved a council meeting and even now will forego the pleasure of witnessing "Hamlet" to serve the people.

Married, by the Rev. George P. Slade, pastor of the Christian church, at his residence, No. 87 West Jefferson street, the evening of December 20, William J. Kerr to Mrs. Lois Todd. The happy pair, immediately after the marriage ceremony, went to the residence of Mr. Kerr, on South Calhoun street, where they intend to reside.

John Wilson, the Huntington burglar, had a preliminary hearing before Justice Ryan this morning. The case was clear against him and Justice Ryan bound him over to the criminal court in the sum of \$500. When arrested Wilson had two revolvers, three razors and several knives in his pockets. He evidently meant fight, but Sheriff Nelson and his deputy, Mr. Hance, cornered him with pistols. It will go hard with Wilson.

Early Sunday morning the grocery store of J. E. Ballou, the general store of Wm. Ketchum and the post office at Huntington were robbed. Sheriff Nelson was notified at 10 o'clock and before dinner Mr. Nelson and his deputy, John Hance, had irons on the thief and lodged him in jail. The burglar is beardless and gives his name as John Wilson. He came to this city from Huntington and stopped at the Oliver house. He had most of the stolen articles with him, the most valuable being a .370 shot gun. The capture was the clearest ever recorded in this city and congratulations are showering on Mr. Nelson.

The services at the M. E. college were imposing yesterday, the occasion being the centennial of Methodism and the dedication of the new college building. Bishop Cyrus Foss, of Minneapolis, officiated and was assisted by Rev. C. W. Lynch, P. E., Prof. S. R. Smith, of Park Institute, Chicago; Rev. Geo. W. Mooney, of Brooklyn, New York. The growth of the church is a source of just pride and surpasses anything in the history of the world. The M. E. church in the United States has 26,932 traveling preachers, 38,953 local preachers, 8,951,024 communicants. For the whole world the figures were: Traveling preachers, 84,889; local preachers, 77,038; communicants, 5,319,943.

"Christmas is coming" and it comes but once a year. It will be followed this year, as heretofore, by New Year, which will only continue for a day or two, or as soon as people stop writing '84. The holiday season is on hand and our local columns are crowded with the information that merchants and dealers have all shades of holiday goods at all sorts of prices. In almost all departments the slender purse has an equal chance with the bloated wallet. Money is scarce enough, but things are amazingly cheap. Buy something for the needy, who cannot be happy with the wolf at the door. In the festivities of the holidays all should exercise benevolence and give something to charity. There are now so poor but what they can be kind.

### CATHOLIC KNIGHTS.

The St. Bernard Branch Cheese Officers and

Listen to the Report of the Supreme Treasurer.

The order of the Catholic Knights of America has grown to great proportions all over the country in the last few years and its obituary has blessed a million homes. The St. Bernard branch, of this city, had a big meeting yesterday at Library hall and elected the following officers:

President—Henry C. Berghoff. Vice President—T. J. Geow. Recording Secretary—Patrick Ryan. Financial Secretary—Joseph Evans. Treasurer—Joseph Nichols. Sergeant at Arms—John Krook. Sentinel—John O'Connell. Spiritual Director—Rev. Henry Boock-clan.

The Sir Knights of the Uniform Rank then selected their officers:

Captain—John Huser. First Lieutenant—Dennis Monahan. Second Lieutenant—Fred Grady, Jr. Orderly sergeant—John E. Mcening. Second ordinary sergeant—Joseph Fry. The St. Bernard branch is one of the strongest and best in the order and wields a great influence. The report of the supreme treasurer of the Catholic Knights was read and indicates the great activity of the society. During the year just closing the national treasurer disbursed \$280,000 to the widows and orphans of deceased sir knights.

### IT MAY BE BROKEN.

Flaring up in State for the Past Federal Of-

fice of Indiana.

According to a state prepared by a prominent democrat, says the Indianapolis News, the state patronage stands between the following gentlemen:

United States pension agent—Capt. Tom Madden, of Indianapolis, in the lead while Col. L. B. McDonald, of Columbus City, and C. A. Zollinger, of Fort Wayne, are mentioned also very frequently.

United States marshal—Ed. Hawkins, of Laporte, or James Reubens, of Indianapolis, with the odds favoring the first named. Captain John W. Dood is a candidate.

Collector of revenue, Indianapolis district—Ed. Henderson, of Martinsville. The other applicants are W. D. H. Hunter, of Lawrenceburg; Dan Lemon and Jack Landers, of Indianapolis.

Collector Kokomo district—Oscar Henderson, (not related to Ed.) of Kokomo. Col. W. C. Foray, of Greensburg, W. N. Berryman, of Tipton, are his principal competitors.

In the Terre Haute district there are something less than fifty candidates and who has the inside track is a question difficult of solution.

Surveyor of customs—Christian Brink, of Indianapolis, whose opponent is Mr. Blackmore.

United States district attorney—John E. Lamb, of Terre Haute, if he wants it, if not, probably Rose Clarke, of Indianapolis.

Superintendent of the national cemetery—Colonel Schneider, of New Albany. A. Lippard, of Terre Haute, is also seeking the place, which pays \$900, with residence furnished.

For scurfuls, syphilis, skin diseases, thin and watery blood, sluggish liver (indicated by poor digestion), weak kidneys, (indicated by urinary sediment), disordered nervous system, (indicated by both nasal and urinary catarrh, inflamed eyelids, etc.), use Dr. Cassell's Yellow Dock and Sarsaparilla. It gradually rebuilds a broken-down constitution and restores robust health and strength to every part. No other remedy equals it.

New York audiences don't like to two plays in one night.

A remarkably handsome woman is said to be the moving spirit in a philanthropic movement in Kansas to supply the poor of that country with Dr. Bull's Cough-Syrup, the great remedy for coughs and colds.

The locket at the open throat of a dress has come off again.

When a remedy has proven itself to be a cure for consumption and a perfect lung restorer, it should be kept in every well regulated home. We refer to Dr. J. B. Williams' Pink Pills for Pale People, a single dose of which will cure an ordinary cold or cough. A few bottles will cure consumption. It is very pleasant to take.

Just clocks are the latest furniture on black silk stockings.

"So sinks the day star in the ocean bed," and night comes on, hushed and hushed by all whose rebelling limbs and dyspeptic stomachs make them keep the lonely vigils, whether they will or not. Won't somebody help them to enjoy refreshing sleep by giving them a box of **Victrola Pills**?

Adviser to Mothers.—Mrs. Williams' Scalloped Syrup should always be used when children are cutting teeth. It relieves the little sufferers at once; it soothes the inflamed gums, relieves the child from pain, and the little cherub awakes as bright as a button. It is very pleasant to take. It soothes the child, soothes the gums, allows a pain reliever and regulates the bowels and is the best known remedy for diarrhea, whether arising from teething or other cause. Twenty-five cents a bottle.
